

Transportation Commission of Colorado
Transportation and Intermodal Committee Minutes
Date: September 20, 2012

The Transportation and Intermodal Committee met with Ed Peterson as Chairman.

Actions taken:

- Approved minutes from July 18, 2012
- Recognized that TAP funds are about 30% less nationally than the total of the former programs that have been combined into this new MAP-21 program. Approved funding for Safe Routes to School for FY 13 at 30% reduction from FY 12 level for a total of \$1.517M to support the FY 13 call for projects.
- Heard report on public comment period for the Statewide Bike and Pedestrian plan. No comments were received. Committee agreed that Phase 1 of the Bike/Ped plan is final. Phase 2, which will outline project selection criteria will begin in calendar 2013.
- Meeting adjourned.
